

Interested in helping a child centered, racing driven, non-profit organization? Here is your opportunity!

If you are not familiar Quarter Midget Racing is a competitive sport for children between the ages of 5 – 16. However, the entire family is involved in putting on the race day activities. The race events are put on by the membership within the club. All positions are voluntary and no members are paid. Flagging, corner workers, race scorers, pit stewarding, and even the concession stand are all run by the membership.

Quarter Midget racing is a family oriented sport that involves racing in specially prepared cars. The cars, rules and safety procedures are designed specifically for kids. They race on oval dirt and asphalt tracks approximately 1/20 of a mile. All cars and driver's equipment must conform to all national safety rules. Full roll cages, racing clothing, helmets, gloves, neck braces, safety belts, arm restraints, mechanical components, etc. are covered by National safety rules.

The CAPITOL QUARTER MIDGET ASSOCIATION has existed in Lansing, Michigan since 1959 and needs people and businesses like you to keep up this 56 year old racing tradition. There are a few ways you can help for the 2015 racing season:
